Imperialism Video Presentation

The subject of Imperialism encompasses many countries and events during the 1800s. The relationships established between countries during Imperialism also sets the stage for key alliances and events in the 20th century, including World War 1, World War 2, the Korean War, the Vietnam War, and apartheid in South Africa just to name a few. In order to assist you in processing all of the key people, places, and events of this time period, you will be creating a video production reflecting your understanding of this topic. Your video must include key information on the following:

1. Definition of Imperialism
2. Two pros and two cons of Imperialism
3. Rudyard Kipling's "White Man's Burden"
4. "The sun never sets on the British Empire."
5. India and the Sepoy Rebellion
6. Berlin Conference of 1884-1885 and its results
7. Egypt and the Suez Canal
8. Zulu Wars
9. Opium Wars
10. China's Open Door Policy
11. Boxer Rebellion
12. Commodore Matthew Perry and Japan
13. Modernization of Japan
14. Japan fights for Korea
15. Russo-Japanese War

In your video, you may use graphics, pictures, quotes, and information from your notes to demonstrate your understanding of the key events listed above. There is no time requirement for your video, but you must cover the topics listed above. You will receive class time daily to work on this. However, the video is due _____, so if you are unable to finish in class, you will need to make arrangements to finish on a computer during morning tutoring, at the public library, or at your home. It is worth 45 points (3 points per topic listed).
