

Directions: Read the section entitled “A Strict Social Order” on page 107 of the Red S.C. Standards Reinforcement Guide to complete the chart below.

Colonial Social Structure of Latin America

	Name of Social Class	Definition	Occupations
Upper Class 	1) Peninsulares		
	2) Creoles		Army Officers
	3) Mestizos		
	4) Mulattos		Servants, Laborers, Overseers of Plantations
	5) Native Americans and Africans	People with no European Ancestry	
Lower Class			

Totem Pole of Latin American Social Order

Directions: Create a totem pole by sketching symbols for each social class on the graphic below. Be sure to list the classes in order with the upper class at the top of the totem pole and the lower class at the bottom. In the area provided on the right, write a sentence that explains how your symbol represents that social class.
