

The Great Depression vs. The Great Recession: Are We Repeating History?

With a partner, complete the following chart using class notes, resources on your Chromebook, or your own first-hand experiences.

	The Great Depression	The Great Recession
Started/Ended (Dates)		
Causes:		
Effects:		

Government response:		
Effects on the World:		

Prepare for Four Corners by formulating your response to the following statements:

1. The Great Recession is a repeat in history of The Great Depression.
2. The United States government is doing all they can to fix The Great Recession.

I strongly agree because...

I somewhat agree because...
